Look to the Roads.

Where in Hopkins county can the people boast of having as good roads as those in this immediate vicinity? The St. Bernard Coal Company, at their own expense, have put up the principal roads running through their property in excellent shape. It has been done by a patented road-making mawith teams and a large force of Property owners beyond where the on the Madisonville road has been made are about to take up the same matter of road building, too, at their own expense. In this way as good a road as had will in a short time he completed. While this is putting up public roads at private expense, it is far better than no roads at all. It is the prayer of many that this good example will prove to be of wholesome effect.

Weren's Happy Together. Marshal Barnett had a strange experience one morning last week. He was approached by Richard Gilmore and wife (col) who wanted him to divorce them. Tonawanna, Eure Co., N. Y., Febr. 1889.

My daughter had file from tright since 12 years, sometimes 3 to 4 attacks within 40 hours without any warning; during these spells her thumbs would be cramped toward the inside of her hands, her mouth be drawn sldoways, her neck would swell up, and her face assumed a blueish color; this would have from 10 to 15 minutes; after that she nispt was drowsy for about 2 hours. We tried many remedies without any improvement. A Valuable Book on Nervous Diseases sont free to any address and poor patients can also obtain this medicine free of charge.

This remedy has been prepared by the flever end Pastor Koenig, of Fort Wayne, ind., since 1876 and is now prepared under his direction by the KOENIC MED. CO., Chicago, Ill. Sold by Druggists at \$1 per Bottle, 6 for
